You believe in Sharp Tools

The 1919 Directory was a keen-edged tool—*last year.* Today it's only 50% sharp. The ***new Directory*** will show about 50% changes and be 100% sharp.

Order A New CITY DIRECTORY

You can't afford to use old mailing lists. Neither does it pay to misdirect your deliveries or your bills. One mistake may cost you several times as much as a new directory.

If only he knew where to look

Lots of folks hunt the hard way for information that is *right at hand* if they knew where to look.

They buy with part knowledge of those who sell; they guess at addresses; they waste postage and misspell names.

* * * all of which might be avoided by learning how to use the scientific compilation of information in the *City Directory*.
